Dear Conal,

I would like to sincerely thank you for the excellent job you did in selling my property here in Burleigh Waters. It was a last minute decision to sell this particular property and you managed it in break-neck speed.

Having previously had a background in real estate, it was refreshing to see the way you handled every detail. I felt all your decisions and negotiations were fair and professional for both sides and I can honestly recommend you to anyone buying or selling, however the market is faring.

A successful and painless process. Thank you!

Kind regards,

Carole
