

April 2010

We would like to offer our sincere thanks to all, for the help and assistance you have given us and the dedication and professional manner which was second to none during the sale of our property.

We have dealt with many agents in our time and with all sincerity we have never been more impressed with the way this sale was executed and consequently obtaining the optimum result.

Once again we offer our congratulations to the staff of Kingfisher Realty and without doubt we would have no hesitation in recommending your office to all who are in need of expertise in real estate.

Yours faithfully
